Special Benefits

Scholarship of the National Institute for International Education

National scholarship for K-HED students

- Recipient** Overseas Koreans who applied for the domestic education program for overseas Koreans and were recommended by a diplomatic office
- Selection criteria** Reviewed and selected by the 'Scholarship Committee' based on intent, the potential for development, family background, and descendant of an independent patriot
- Benefits** Full tuition fee for the program (one course) and 70% of the round-trip airfare
 - * Airfare not included for Japan, China, Far East Russia (Maritime Province, Sakhalin, etc.), and Southeast Asian countries
 - * Full tuition fee and airfare supported to descendants of an independent patriot
- Number of beneficiaries** About 200 persons per year

※ The number of scholarship recipients of each course can be adjusted based on the scholarship application and selection status.
 ※ National scholarship selection may be canceled if the recipient fails to complete the program or receives disciplinary action for violating campus rules.
 In this case, the recipient must return the scholarship.

Benefits for Students Completing Online Education

Benefits for those who completed online education

- A certificate of completion is issued to those who satisfy the criteria for completing our online education.
- If a student who completed online education applies for invitation education of the K-HED program for overseas Koreans, the student has priority when selecting national scholarship recipients.
